

Novus Bulk Internet for New Developments

Fast, reliable fibre Internet for your residents—built in from day one.

Why Choose Novus?

Bulk Internet Made Easy

- One simple rate for the whole building.
- Pricing is based on the number of suites.
- Seamlessly included in rent or strata fees.
- No contracts for residents.

Boost Property Value

- Fibre speeds starting at 500 Mbps up to 2.5 Gbps.
- Future-ready infrastructure built during construction.

Added Value at No Cost

- Free Internet in your common areas. Get up to two, 1 Gbps connections.
- Wi-Fi splash pages with your branding.
- Free equipment, install, and ongoing support.

Hassle-Free Setup

- Dedicated team to work with your site staff and contractors.
- Smooth onboarding for residents.
